Weight : 55.700 kg

Description

The TMX 500 aircraft towing tractor has a maximum drawbar pull of 38.000 daN (82.120 lbs). It has the ability to perform push and pull operations on all aircraft including wide body aircraft. Its ergonomic design provides maximum driver comfort and increased visibility. TLD's high standard of build and component quality make the TMX 500 a durable and reliable tractor.
